

LAUREN DAIGLE

THE
KALEIDOSCOPE
TOUR

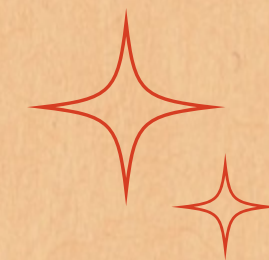

THESE
ARE
THE
DAYS
WE'VE
BEEN
DREAMIN'
OF

I'm on my way to
Salvation Mountain,
I'm here to be changed,
I'm here to be free.

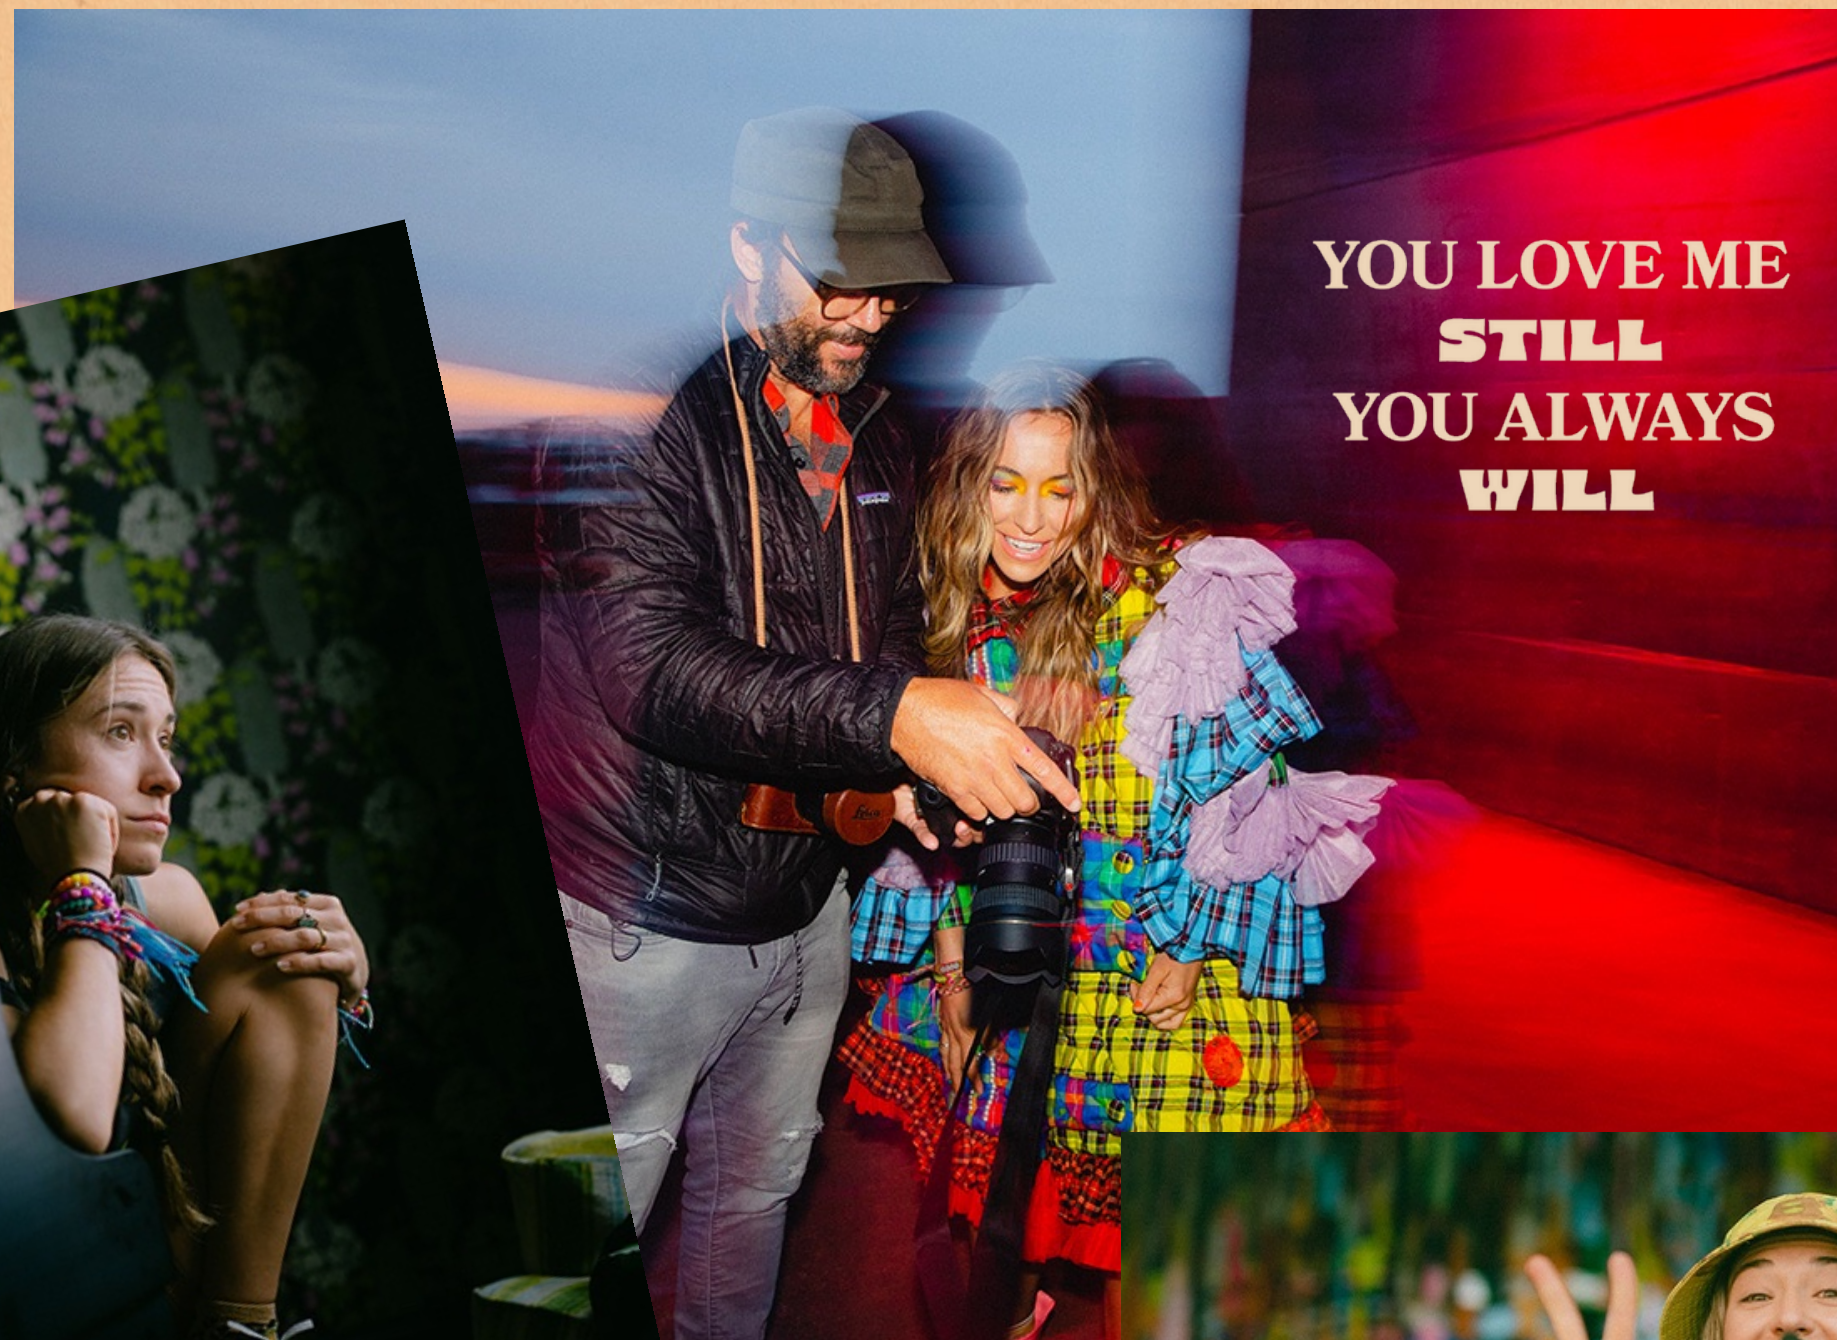

A woman with long blonde hair, wearing a purple hoodie, a green bucket hat, and a yellow lei, is singing into a microphone on a stage. She is looking to her left. The background is a blurred outdoor setting with a large building and a crowd of people. Overlaid on the left side of the image is the text "THE OLD YOU, IT SEE THE NEW" in large, bold, red capital letters. The bottom left corner of the image is partially obscured by a dark, abstract shape.

**THANK GOD
I DO**
